

Kia Carnival

Movement that inspires

JULY 2024

Prime mover.

Big on style, big on technology and huge on comfort, this is the most refined, roomy and capable Carnival ever.

With the choice of turbo-diesel or turbo-hybrid powertrains and equipped with next generation handling and safety technology, the new SUV-inspired Carnival sets a new standard for comfort and adaptability.

Movement that inspires

Big softy.

At the touch of a button, Carnival's 2nd row side doors glide open to reveal a luxurious cabin that offers class-leading levels of space and personalisation. Power adjustable driver and front passenger seats* and reclining and sliding second row seats make long trips a pleasure. The Dual Zone Climate Control* has separate controls for your driver and front passenger. With 2nd row passengers also given separate climate controls, you can create personal comfort zones for everyone in your car. The 12.3" infotainment system can be configured just the way you like it.

*Deluxe, Premium Diesel and HEV Water models only.

Power to the people.

Carnival now gives you the choice of two smooth and sophisticated powertrains; a 2.2 litre Smartstream™ turbo-diesel paired with an 8-speed automatic transmission or 1.6 litre turbo-petrol engine paired with smart electric motor hybrid technology.

Both powertrains deliver effortless acceleration, shifting and overall driveability. Giving you and your seven passengers a smooth, enjoyable driving experience..

An integrated system monitors your driving style and adapts shifting performance to suit. Premium Diesel & Water Hybrid models feature an E-Shift gear selector further maximising free spaces in your command centre.

Overseas Model Shown

Always looking out for you.

Carnival protects you and your passengers with airbags throughout the car and a complete suite of advanced active safety technologies, gently assisting you as you drive or stepping in to prevent a potential collision.

Carnival Deluxe, Premium Diesel and Water Hybrid models include Surround View Monitor giving you an uninterrupted, 360 degree birds eye view, you can manoeuvre confidently, even in the tightest spaces.

Space for any situation.

Wherever you go and whatever you need to carry, Carnival's seating and cargo areas can be arranged to provide the perfect balance of comfort and practicability.

With the second and third seats folded down, a cavernous 2,827 litres of cargo space is instantly available.

Kia confidence goes further.

FOR I.C.E MODELS

5
YEAR

Factory
Warranty
Quality Redefined

FOR HEV/PHEV MODELS

7
YEAR

Factory
Warranty
Quality Redefined

All new Kia Passenger Vehicles come with an impressive 5-year/150,000km for I.C.E. models or 7-year/150,000km for HEV/PHEVs (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

5 YEAR

Roadside
Assist

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be dispatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

8 YEAR

High Voltage Drive
Battery Warranty
(OR UP TO 160,000 KMS)

All new Kia HEV vehicles that are powered by a high-voltage drive battery come with a 8-year/160,000 km (whichever comes first) warranty that covers components found in the drive battery case. In the event that your vehicle becomes immobile due to a high voltage battery or system failure, we'll cover the cost of the tow to the nearest authorised Kia dealer.
