Hatch

The Power to Surprise

Performance with enhanced safety features

2.0L DOHC MPI D-CVVT petrol

Max. power: 112 kW @ 6,200 rpm
Max. torque: 192 Nm @ 4,000 rpm
Fuel economy: 7.4L / 100 km

6 speed automatic transmission

6 speed automatic transmission turns the power into a smooth, effortless drive.

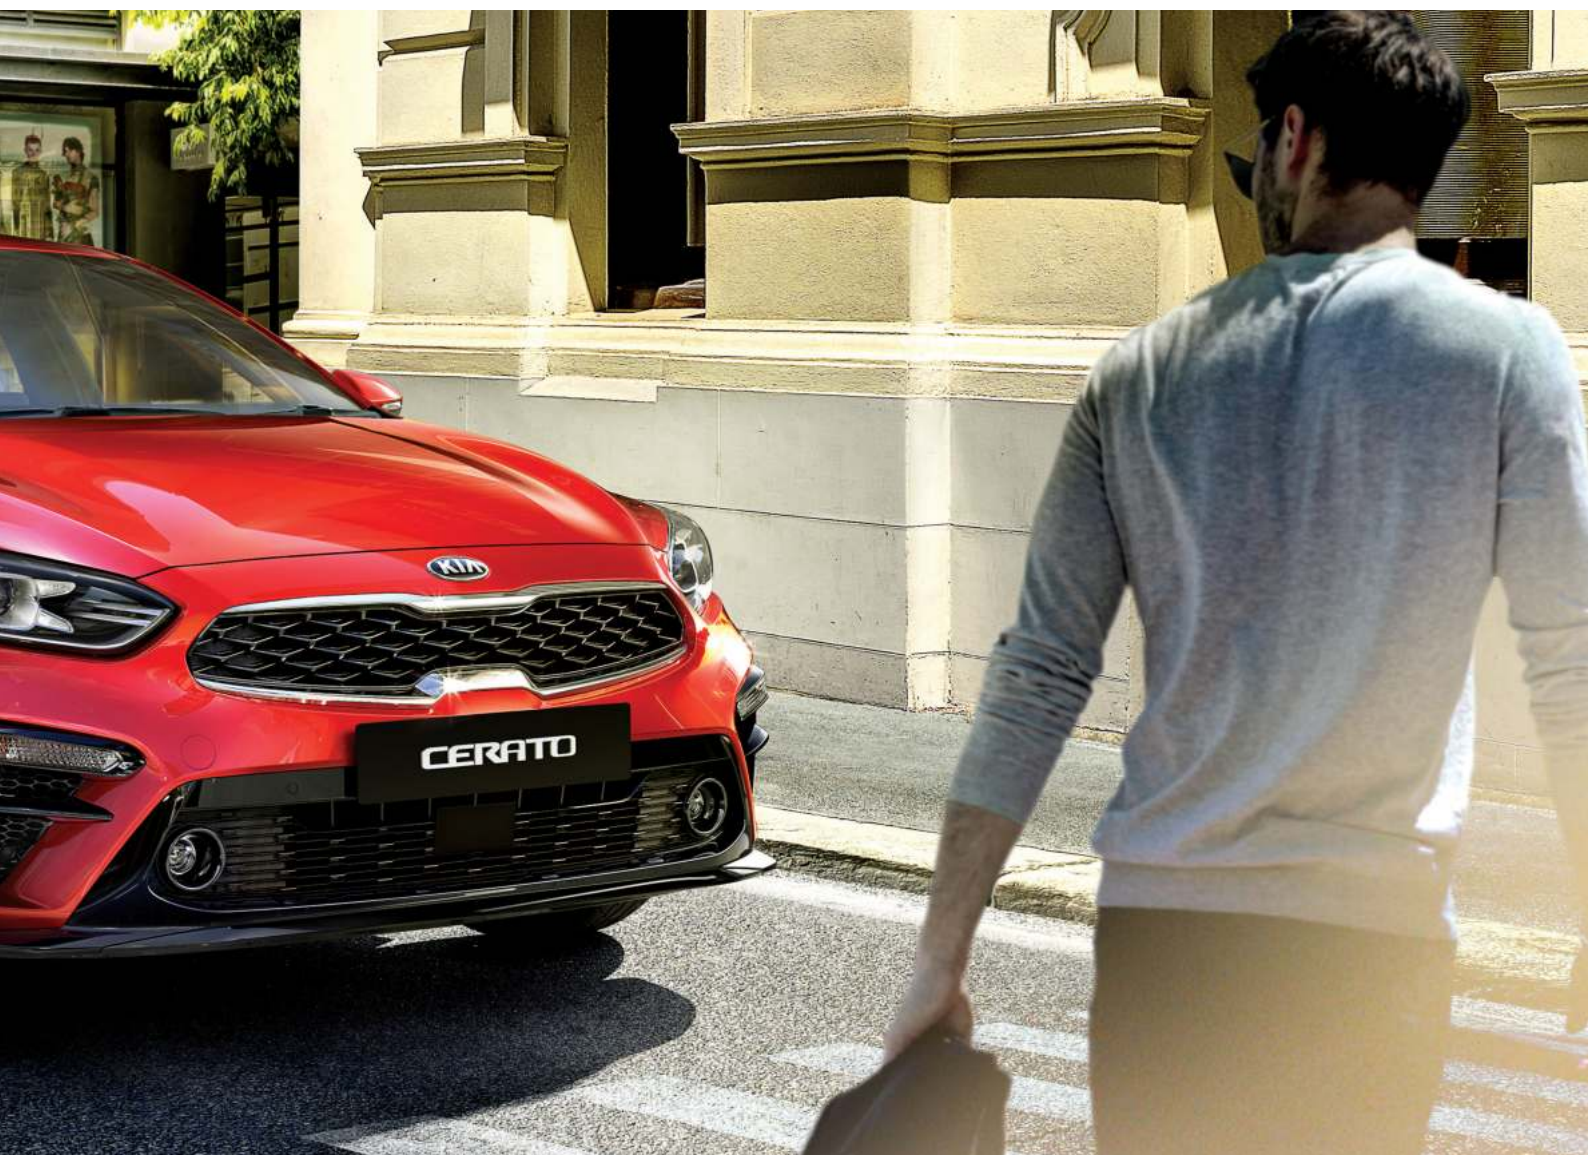

Autonomous Emergency Braking (AEB)

Equipped with pedestrian and cyclist detection, the Cerato is able to sense the potential for a collision and will apply emergency braking to avoid or reduce the effects of a collision.

Lane Keep Assist System (LKAS)

This system helps to alert the driver when the vehicle deviates from the traffic lane and may automatically assist in steering the vehicle to stay within the lane of travel.

Blind Spot Detection (BSD)

The system can detect approaching vehicles within a distance of 70 metres. A visual and / or audible warning will alert you when they enter your blind spot zone, if you're indicating to change lanes.

Driver Attention Alert (DAA)

The system will sound and display a warning in the instrument panel that it is time to take a break from driving when it senses the driver's attention level has been significantly reduced.

Smart Cruise Control (SCC)

Radar sensors at the front of the vehicle monitors the distance between you and the vehicle ahead. To maintain a pre-determined safe distance, the system will automatically apply the brakes to reduce speed.

Rear Cross Traffic Alert (RCTA)

Activated when you put the Cerato into reverse, the system will warn you if it detects any traffic approaching within 20 metres of the rear of the vehicle, which can help avoid accidents when reversing out of a parking space or driveway.

Comfort zone wherever you go

8" Colour LCD touchscreen

A vivid 8" colour LCD screen is shared by the rearview camera and the audio system. The large screen makes it simple to select and operate audio system controls with the touch of a finger.

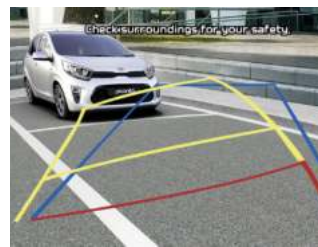

Premium JBL® sound system with 8 speakers

Available on GT.

Apple CarPlay™ & Android Auto™

Apple CarPlay™ and Android Auto™ connects certain apps on your iPhone or Android smartphone to Cerato's infotainment system. It equips your vehicle's radio with display and control functions when they're plugged into your Kia's USB port.

Rearview camera & parking sensors

The rearview camera helps you keep an eye on what's behind you while reversing. Dynamic guidelines help indicate the path that you're going and will react as you back up. Ultrasonic sensors on the front and rear bumpers detect objects or pedestrians and indicate your distance.

Climate control

The dual-zone climate control allows the driver and front passenger to adjust their own personal temperature settings, while the system automatically maintains the desired climate. Available on EX and GT.

Electrochromic rearview mirror

Electrochromic rearview mirror automatically controls the glare from the headlights of the vehicle behind you.

Available on EX and GT.

Start / Stop button + Smart key

With the Smart key in your bag or pocket, you can lock or unlock and even start your Cerato at the touch of a button.

Heated front seats

Heated seats ensure that both driver and front seat passenger are snug and warm even on the coldest days.

Available on EX and GT.

Ventilated front seats

Available on GT.

Cargo space

The rear seats of the Cerato hatch split 60:40 and fold completely flat for maximum cargo space of 1,335L (VDA).

Power up with

1.6L T-GDi engine

The Cerato GT has a 1.6L Turbo GDi petrol engine that offers power, delivers dynamic performance and is fuel efficient. Max. power: 150 kW @ 6,000 rpm
Max. torque: 265 Nm @ 1,500 rpm - 4,500 rpm
Fuel economy: 6.8L / 100 km

7-speed Dual Clutch Transmission

The Cerato GT features a highly responsive 7-speed Dual Clutch Transmission (DCT) that delivers dynamic acceleration and a smoother transition.

D-shaped steering wheel with paddle shifters

The sporty D-cut design steering wheel with GT detailing further enhances the interior style to give the Cerato GT a more sporty look.

Dual chrome tip muffler

Two exhaust pipes enhance the sportiness of the Cerato GT.

8-way power driver's seat

The 8-way electronically adjustable driver's seat is also equipped with lumbar support and 2 memory settings to ensure maximum control and comfort for any driver.

Aluminium sports pedal

Sports pedals add to the fun of driving. Raised rubber grips help ensure confident foot work.

Satellite navigation

Set the navigation system to help you get to your destination faster. It delivers live traffic information so you know which areas to avoid and suggests alternative routes.

Wireless smartphone charger*

Easily charge a compatible smartphone while you're on the go using the wireless charging pad at the front of the centre console.

*Works with Qi compatible smartphone / devices only.

* Fuel consumption figures are from standard Australian Design Rules tests. Actual results achieved will differ according to operating conditions and driving style.**

** Not all handsets may be compatible.

*** Works with Qi compatible smartphone / devices only.

∞ Apple CarPlay™ requires an iPhone 5 or later. It is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning® cable provided with your phone or an Apple-certified Lightning cable.

† Android Auto™ Requires an Android phone with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone.

The environment

ECO-CONSCIOUS

So you value sustainable living? We do too.

That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society.

Our environmental research centre spearheads our drive for the production of clean hybrid and fuel-cell vehicles to lead the way to eco-friendly cars for a greener tomorrow for you, your children and all of us.

From design through to recycling, we create innovative products, adhering to state-of-the-art Design for Recycling (DfR) guidelines. Even at the end of your car's life, we aim for eco-friendly return and treatment.

Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

As you can see, what you do on a small scale with your household refuse, we at Kia Motors do on a large scale.

Services

5 YEAR Warranty Programme

(UP TO 100,000KMS)

All new Kia passenger vehicles come with an impressive 5 Year/100,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This Warranty Programme is transferable between owners and emphasises our commitment to our customers.

5 YEAR Roadside Assist

A Roadside Assistance Programme for the duration of the Warranty period is also offered on all new Kias at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be despatched to your location. If a repair cannot be completed on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

INCIDENT CARE

If you and your new Kia were unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you, and is free for the first five years.

Visit Kia.com/NZ for full details and terms & conditions.
