

# ccNC- connected car Navigation Cockpit

Tasman | 23/03/2026

---

Dear Owners,

"A new Over-the-Air (OTA) software update is available for your vehicle's infotainment system. This update is designed to improve your driving and navigation experience:

## Improvements

The built-in navigation system in your vehicle has been updated with the most recent map data providing more accurate routing, updated road changes, and points of interest."

We hope that this OTA update will enhance your driving experience with added convenience and comfort.
