A special quality.

True luxury is about more than just features. It's also in the way things work and feel. The cabin of the new Seltos feels special with ambient lighting*, ultra comfortable seats plus a 12.3" cluster and 12.3" touchscreen infotainment, paired with satisfying physical controls for the climate and audio system.

*Ambient Mood Lighting exclusive to X-Line.

Efficiency without compromise.

Available with the choice of front-wheel drive or on-demand all-wheel drive, the Seltos is powered by a 1.6 litre petrol electric hybrid (HEV), paired with a smooth and responsive 6-speed, dual clutch automatic transmission.

All-wheel drive models add a second electric motor to the rear axle, delivering reassuring power and traction with exceptional fuel efficiency.
