

Kia Sportage

Movement that inspires

SEPTEMBER 2025

Overseas Model Shown

The new Sportage. It's what you've been waiting for.

With forward thinking design, next generation tech and efficient and responsive power, the Kia Sportage has been a Kiwi family favourite since it first launched here 30 years ago.

Now, with more interior space, next generation technology the addition of an ultra-efficient hybrid powertrain and the new Kia Sportage takes everything to the next level.

Movement that inspires

Overseas Model Shown.

Not just design. A philosophy.

There's no mistaking the Kia Sportage on the road. That's by design.

Opposites United is our design philosophy that shapes everything we create. Drawing inspiration from the natural and human worlds, it uses the principles of disruption and contrast to create a sleek and sophisticated look that is unmistakably Kia.

Overseas Model Shown.

Family room.

The Kia Sportage has more room inside for everyone and everything, including up to 633 litres* of rear cargo space. If you need more, a simple pull of a lever lowers the rear seats to reveal up to 1,919 litres* of cargo capacity.

The interior is loaded with creature comforts including dual zone climate control (Hybrid trims only), heated & ventilated front seats (X-Line only) and a Harman/Kardon eight speaker premium sound system (X-Line only).

*Light Hybrid trims only.

Little helpers.

Earth Hybrid & X-Line Hybrid models add thoughtful innovations, like a wireless phone charger that reminds you if you leave your phone behind or a smart tailgate that opens automatically when you have your hands full. When you're parking or moving at speeds below 20km/h, the Around-View Monitor* gives you a top-down view of your surroundings.

*Exclusive to X-line model.

Kia Connect™

The Kia Connect app is your digital co-pilot.

Use it to set a comfortable cabin temperature before you get in by starting your engine remotely, lock or unlock your Sportage and locate nearby service stations. There's even a Valet Mode that keeps an eye on your Sportage when you hand over the keys to someone else.

Features and app may vary depending on vehicle grade and are subject to change.

Over-the-Air (OTA) wireless software updates.

Kia Connect ensures your car always has the latest performance and safety software with Over-the-Air updates.

Receive OTA updates as you drive to improve key vehicle functions, such as powertrain, drivetrain, infotainment system, battery and the advanced driver assistance systems (ADAS).

Just accept the OTA update in your Sportage and you can be confident of having the latest safety and performance features without the need to visit a dealership or service centre.

Overseas Model Shown.

Overseas Model Shown.

Power to go.

The new Sportage is powered by a powerful yet fuel efficient 1.6L turbo petrol hybrid engine, matched with a 6-speed automatic transmission for a combined power and torque output of 173kW and 367Nm. Available in either FWD or AWD, the new Sportage delivers a satisfyingly smooth surge of power with maximum efficiency.

Terrain Mode.*

Choose from a selection of Drive Modes to suit your preferences for a more personalised driving experience. Out in the mud, snow or sand, the Terrain Mode will automatically optimise the Sportage for better traction, stability, and control.

*AWD Petrol Hybrid only.

Overseas Model Shown.

Strength in numbers.

With seven airbags and multiple active safety systems, the Sportage is designed to protect inside and out.

Forward Collision Avoidance Assist with Junction View scans for vehicles at intersections, applying the brakes if it detects danger.

The Multi-Collision Braking system helps to reduce the risk of secondary collisions by

automatically applying the brakes once the airbags have been deployed after an initial impact.

Lane Follow Assist uses a combination of cameras and radar to maintain a safe distance from the vehicle ahead and to keep you safely in your lane.

More safety. More peace of mind.

When you activate the turn signal, the wide-angle side mirror mounted cameras will display live footage of your blind spots on the 12.3" instrument cluster.*

When parked or stopped, Safe Exit Warning will detect and warn you of approaching vehicles from behind on either side, alerting occupants with a sound and visual warning if they attempt to open the door into oncoming traffic.

Rear Seat Occupant Alert helps alert the driver to any passengers that may still be left in the vehicle when exiting.

*Blind Spot View Monitor exclusive to X-Line

Information contained herein is for comparative purposes only. Specifications are correct at time of printing, and may vary to the above at any given time.

* Fuel consumption figures shown are calculated using the World Harmonised Light Vehicle Test Procedure (WLTP-3) and are stated for the purpose of comparison. Actual results achieved will differ according to operating conditions and driving style.

** Safety technologies are supplemental systems and do not replace the need for the driver to exercise care and attention.

*** Leather seats and other fixtures may comprise of genuine leather, and man-made leather-like materials or a combination thereof.

± Not all smartphones / devices may be compatible.

° Apple CarPlay™ requires an iPhone 5 or later. It is recommended to always update your iPhone to the latest iOS release. Use the Apple Lightning cable provided with your phone, or an Apple-certified Lightning cable. Kia cannot guarantee continued compatibility

° Android Auto™ requires an Android phone with Android 5.0 Lollipop or higher. It is recommended to always update your phone to the latest OS release. Use the USB cable provided with your phone. Kia cannot guarantee continued compatibility.

Specifications apply to MY26 Sportage models. Kia New Zealand Limited reserves the right to discontinue or change the models, features, specifications, options, designs and prices of products referred to in this brochure without incurring any liability whatsoever to any purchaser or prospective purchaser of any such products.

Kia confidence goes further.

Sportage HEV

7

YEAR

Factory

Warranty

Quality Redefined

All new Kia Passenger Vehicles come with an impressive 7-Year/150,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

5 YEAR

Roadside Assist

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be dispatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.

8 Year

High Voltage Drive Battery Warranty

(or up to 160,000 kms)

All new Kia vehicles that are powered by a high-voltage drive battery come with a 8-year/160,000 km (whichever comes first) warranty that covers components found in the drive battery case. In the event that your vehicle becomes immobile due to a high voltage battery or system failure, we'll cover the cost of the tow to the nearest authorised Kia dealer.

Movement that inspires
